GF Gluten-free LF Clinically lactose-free V Vegetarian

[†] Fructooligosaccharides. * Nutritionally complete volumes based on UK DRVs (Department of Health, 1991), excluding electrolytes (sodium, potassium, chloride). Jevity Promote excludes chloride and potassium. [‡] Ready to hang container.

[§] Recloseable plastic bottle [¶] Please note that Abbott Nutrition regard products containing less than 2000 mg lactose per litre (as fed) as being 'clinically lactose free'. [§] Abbott products listed as suitable for vegetarians contain Vitamin D which is synthesised from cholesterol, extracted from the grease in wool sheared from live sheep.
