

Ensure Plus yoghurt style

1.5 kcal/ml complete, balanced nutritional supplement drink

PRESENTATION

- Presented in 200 ml (300 kcal) bottles.
- Available in Strawberry Swirl flavour.

USES

Food for Special Medical Purposes, for use under medical supervision. Suitable as a nutritional supplement or as a sole source of nutrition for patients who cannot or will not eat sufficient quantities of everyday food and drink to meet their nutritional requirements.

Nutritionally complete for vitamins and minerals in 1000 ml (excluding electrolytes, calculated using the UK Reference Nutrient Intake for men aged 19-50 years).

Suitable for patients with increased energy and protein requirements and for the following indications:

- Disease-related malnutrition
- Total gastrectomy
- Short bowel syndrome
- Bowel fistulae
- Intractable malabsorption
- Pre-operative preparation of patients who are malnourished
- Proven inflammatory bowel disease
- CAPD
- Dysphagia

Available on the DPS (Drugs Payment Scheme) and the GMS (General Medical Services) Scheme in Ireland.

STORAGE & DIRECTIONS FOR USE

- Store unopened at room temperature.
- Ready for use. Open immediately prior to use.
- Shake well before use.
- Best served chilled unless bolus feeding is indicated, in which case the product should be administered at room temperature.
- Ensure Plus range bottles will attach to all Abbott giving sets.
- Once opened, unused product should be resealed and stored in a refrigerator. Unused contents should be discarded after 24 hours.
- Date and time of opening can be recorded on the lid sticker.

PRECAUTIONS

- In patients receiving some medications there may be a risk of drug nutrient interactions (e.g. warfarin and vitamin K). Careful prescribing and monitoring practices will serve to reduce the risk (please refer to pharmacist).
- Patients should not make any additions to the feed without consulting their pharmacist or dietitian.
- Many nutritional products contain sucrose and other sugars. It is important for patients who are taking supplements as sip feeds to observe good oral hygiene. It is suggested that patients consult with their dentist for further advice.
- Unless recommended by a healthcare professional, not intended for use in children.
- When feeding to patients with dysphagia, please thicken the product as appropriate.

CONTRA-INDICATIONS

- FOR ENTERAL USE ONLY.
- Do not use in children under 1 year of age.
- Not for use in galactosaemia.
- Suitable for people with diabetes provided that routine glucose checks are performed.

GENERAL INFORMATION

Water, sucrose, *milk* proteins, maltodextrin, vegetable oils (high oleic sunflower, canola, corn), acidity regulators (E507, E330, E270, E296), minerals (potassium citrate, sodium citrate, magnesium phosphate dibasic, micronized tricalcium phosphate, magnesium chloride, sodium chloride, magnesium sulphate, ferrous sulphate, zinc sulphate, manganese sulphate, cupric sulphate, sodium molybdate, potassium iodide, chromium chloride, sodium selenate), stabiliser: E440, flavourings, emulsifier: **soy** lecithin, choline chloride, vitamins (C, calcium pantothenate, E, niacinamide, B₁, B₂, B₆, vitamin A palmitate, beta carotene, folic acid, K₁, biotin, D₃), antioxidants (E304, E306), colour: E120.
